SIR,

Representation of Indian Christians
on the Municipal Commission.

Page 17

Bye-laws

I have the honour to state that in accordance with the provisions of the explanation under the table appended to Rule 4 of the Election Rules, the Electorate of all the 6 divisions shall be combined for the election of 2 Indian Christian Commissioners.

The two Indian Christian Commissioners now sitting on the Commission have represented that they find it difficult to attend to the wants of all the 6 divisions, and they therefore suggest that the 6 divisions should be divided into 2 groups, each group of 3 divisions to be represented by one Indian Christian Commissioner. This will enable the two Commissioners to give more time to their respective groups.

I think the proposal is a good one and recommend that Divisions I, II and VI (including voters residing outside the Station) should form one group and Divisions III, IV and V the other group. The voting strength of the first group will be 252 and that of the second group 305. In the event of retrocession taking place, the voting strength of the first group will be reduced by 23 and that of the second group by 4.

In the circumstances, I request that the Hon'ble the Resident may be pleased to amend the Election Rules by substituting the following for the present explanation under the table appended

to rule 4 of the Election Rules :-

" The electorate of divisions I, II and VI (including ^{of the six divisions} voters residing outside the Station) shall be combined for the election of one Indian Christian Commissioner and that of divisions III, IV and V for the election of another Indian Christian Commissioner.

The amendment may come into force for the General Election of Municipal Commissioners in 1939.

I have the honour to be,
Sir,
Your most obedient servant,

President, M.C.
